25X1

25X1 ✓ 2. [REDACTED] THIRD AGENCY Took a call  
25X1 from [REDACTED] General Counsel, NSA, who asked whether there had  
25X1 been any developments subsequent to the inter-agency meeting  
25X1 held on 25 August to discuss requests for information made  
25X1 by the Senate Foreign Relations Subcommittee on International  
25X1 Operations. I told [REDACTED] that I had been informed by  
25X1 Theodore Heavner, Bureau of Intelligence and Research,  
25X1 Department of State, that in accordance with the plan of  
25X1 action worked out at the meeting, State had asked Committee  
25X1 Legal Counsel Michael Glennon to formulate his latest oral  
25X1 request in writing. This written request had not yet been  
25X1 received, however. [REDACTED] asked whether there had been any  
25X1 movement toward involving the SSCI in this matter. I told  
25X1 [REDACTED] that there was none to my knowledge, and noted that  
25X1 the plan of action agreed to at the inter-agency meeting  
25X1 envisaged such a move only after the State Department referred  
25X1 certain of the Subcommittee's questions to the DCI and after  
25X1 there was further consultation among the interested agencies.
